## **DETAILED ACTION**

### ***Summary***

1. Claims 1-11 are pending. Claims 1-11 are allowed. This is a notice of allowance.

### ***Allowable Subject Matter***

2. Claims 1-11 are allowed.

3. The following is an examiner's statement of reasons for allowance: Independent claims 1 and 11 contain allowable subject matter. None of the prior art of record shows or fairly suggests the claimed invention. Specifically not found in the prior art is the limitation of an external force applying unit that applies force to a predetermined region that has had its moisture content adjusted to within a predetermined range. Both claims 1 and 11 contain this limitation. The closest prior art of record is NORJIRI et al. (European Publication EP 1286156) as described in the office action dated 11/10/2010.

4. Claims 2-10 are allowed due to their dependency on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
